6. Data Review/Needs Assessment as part of Continual Improvement Plan

- a. This was emailed out by Mr. McDaniel.
- b. There is an opportunity to look at data for the school. Focus energy on what the data is telling us.
 - i. How do we make the school more accessible to the Cyprus population?

7. Digital learning

- a. More interactions
 - i. Also happens on DL days.
 - ii. Efforts are being made; students just not being involved.
- b. Workload seems to be higher.
 - i. This seems to be caused by just being in a Distance Learning environment.
 - 1. Communicate with the teacher.
- c. Don't have the opportunity to have due dates extended.
 - i. Should be the same for all.
 - ii. Most parents are finding that teachers are willing to work with the student.
- d. In-person learning are feeling similar frustrations.

8. Electives at registration

- a. Could run into problems with their choices conflict with what they need for graduation.
- b. Could be a reflection of a system issue. Kids were choosing more options than they really had.
- c. They are taking the elective choices in order that they have chosen.

- d. Courses are chosen for those students who haven't submitted the form.
9. Covid testing fees for athletes
- a. There are no fees.
 - b. If tied to the school specifically there is no cost. If it is outside of school (i.e. swim club) then they have to be tested and they pay it.
