

## Cyprus High School Community Council Agenda

November 9, 2021

3:00 PM

Cyprus High School Main Office

Zoom: <https://byui.zoom.us/j/4602278889>

1. Welcome
2. Open community forum
3. Approval of last meetings minutes

Motion to approve Emaily Baran, 2<sup>nd</sup> Linda Mcgrath and all in attendance voted in favor.

### 4. Unwanted guests (flying/ground)

Administration is aware of the problem and continues to look for ways to improve. The custodial staff do a great job and are working diligently to resolve the problem. Cyprus has this issue every year around this time due to the weather changes.

### 5. Dress code

We received some preliminary results to the dress code surveys. The community council would like to wait for the final results to provide input on the new dress code. We want to ensure that the community voices are heard and the majority vote is considered.

## 6. Miscellaneous items

Cyprus CTE department is working to get more internship sites opened for our student internships. If you have any connection with a business that would be interested in partnering up with this project, please reach out to Sonja Richardson or David Juett in the Career Center.

**December meeting will be held on 12/7 @ 3:00**
