1. Welcome
2. Open community forum
  - a. Nothing
3. Approval of last meetings minutes
  - a. Approved
4. Kris Nguyen remarks
  - a. Stopped by to introduce herself to the community council
5. Terry Bawden remarks
  - a. Community council is very important for the school.
  - b. Expressed gratitude
  - c. What is one thing you would like to see the Granite school district to do better that will bless and benefit Cyprus and the students?
  - d. Transgender bathroom question
    - i. Talk to parents/individuals about their comfort level
    - ii. New buildings will not have specific restrooms.
    - iii. There is a process on the district level that a trans student must go through before that is enacted. Parents need to be involved.

- iv. Probably just can't just walk into a restroom because they say that they are.
- v. Probably will eventually be legislated.
- vi. Newer schools and remodels will be more accommodating.
- e. Grade book being replaced in a year or two. Terry will be looking into the possibility of changing the way grades are put into the system. Current practices are causing challenges for students and parents.

#### 6. Land Trust Plan

- a. Professional Learning Communities can bring more equity among the teaching. Helps more teachers to provide a better experience.
  - i. Team work to increase.
  - ii. More equity in teaching
  - iii. More instructional coaches
