

Pirate Medallion

Cyprus High School has a large and diverse student body consisting of students with many talents and abilities. The Pirate Medallion is to encourage and challenge students to be involved in a wide variety of areas while attending Cyprus. We promote students who are well rounded and have participated in many areas while at Cyprus. Only 50 points will be accepted within any category. The Medallion rewards participation and not necessarily achievement. Students may apply during their senior year. It is the student's responsibility to pick up an application from the main office and to return it to the Cyprus Main Office by May 6. Late applications will not be accepted. Medallions will be awarded at the Senior Awards Banquet in May.

A student must earn a minimum of **200 points** to qualify for this award. Points can accumulate from 9th through 12th grade. The following point values apply to each year of participation at Cyprus High School. Activities done at other schools will not be accepted.
