

# Focus Parent Portal Navigation

The screenshot shows the top navigation bar of the Focus Parent Portal. It includes the Granite School District logo (1), a Help link (2), the Portal title (3), the user name 'Mr Rogers (Parents)' (4), the school name 'TAYLORSVILLE SENIOR HIGH' (5), and the school year '2023-2024' (6). Below the navigation bar, the main content area is titled 'District & School Announcements'.

1. **District Logo** – Click on the Granite School District logo to return to the Portal Page.
2. **Help** – Click on the Help link to access information about the page you are viewing.
3. **Portal** – Title of the page you are viewing
4. **Guardian Name** – Displays First and Last Name of the person logged into Focus.
5. **School List** – Displays the name of the school your student attends. If you have multiple students at different schools, this will change depending on the student you are viewing.
6. **School Year** – Displays the current school year. You can view historical information by changing the school year.

The screenshot shows the 'District & School Announcements' tile in the Focus Parent Portal. The tile has a title bar (1) and two tabs: 'New' (2) and 'Events' (3). Below the tabs, there is an 'Alerts' section with a warning icon and a message: 'You have available invoices! Please review them here.'

1. **District & School Announcements Tile**
2. **News Tab** – Information that might display in this tab would be: Announcements from Granite School District or your student's school to parents, alerts about available or past due invoices for school fees, and more!
3. **Events Tab** – This will display any assignments and events for the next week

Granite Help Portal Mr Rogers (Parents) TAYLORSVILLE SENIOR HIGH 2023-2024

4. **Student Name** – You will have a tile for each of your active students in Granite School District.

5. **Grades** – Displays current grade information for the student

6. **News** – Overview of attendance and assignments

7. **Planner** – Displays when assignments are due

8. **Reports** – Report cards will be generated in this tab
