

Diamond Ridge Elem. School
Community Council Meeting Minutes
November 2, 2016

Meeting Convened – 4:31 pm

In Attendance: Monica Thayer, Lisa Whiting, Stacy Brown, Melissa Bouderbala, Ted Thackeray, & Sarah Leigh.

-October meeting minutes were approved by all council members. Lisa moved to accept the motion and Melissa second the motion for the approved meeting minutes.

-Reviewed Budget Summary. Ted gave us the updated numbers. We are watching the budget and adjusting in January if needed.

- Reviewed Course and Student Enrollment Priorities. We currently have 860 students attending Diamond Ridge Elementary. In February we will know about the boundary changes and new student enrollment. We would like our classes as small as possible. We will evaluate at that time.

-Reviewed Bullying policy and Procedures. These procedures are posted on the website. There will be an assembly in November about how to be an ally, and ways to handle unwanted or aggressive behavior.

-Reviewed the Child Access Routing Plan (Safe Walking). This plan is posted on the website. There are red rockets painted on the sidewalk to highlight the plan. There is also a new crossing guard on Highbluff this year.

-Reviewed the Safe Technology and Digital Citizen Reports. In the SCC handbook on page 15 you can find all the information this covers. All parents were to sign the internet agreement at SEP as well. Mr. Brough will teach individual classes on the Safe Technology also.

-Reviewed Reading Achievement Plan. Monica shared with staff about goals from the state and everyone agrees and they are all working to meet the goals with monies from LAND Trust that provide paraprofessional support in our small reading groups.

-At this time we do not have a December meeting planned and due to everything that has been covered we do not need to meet until February. This means the January SCC Meeting has been canceled as well.

-Meeting adjourned 5:06 pm.

-Next meeting will be February 1, 2017 @ 4:30 pm in the school collaboration room – Rm 119
