

SCC Update

Our School Community Council met on January 9, 2014.

The SCC has determined to implement a Damaged Library Book Fee. A question about if repairs are needed will be added to Damaged Book Letter. The Library Book Committee will determine if there is a repair fee needed. The Fee will be kept under \$2. Repairs would be only for major drawing damage that needs to be repaired with label stickers not for minor damage that comes with standard wear and tear. A standard replacement fee of \$1 will be charged for missing French CD's.

The SCC is interested in sending out a survey to the School Community about items that need to be addressed. If you have anything that should be added to the survey please contact a member of the SCC.

Our next meeting is Thursday, February 6, 2014 at 4:30 in Room 119. All members of the school community are invited.
