Land Trust Spring Report and 2014-2015 Plan

Our plan will help us reach our goals of 90% of students at 90% of DIBELS testing and 50% of students at Level IV of Math Acuity.

We would like Aide Salaries and Library Books to come out of Land Trust Money. AR Money will come out of Technology and the School Fundraiser.

The vote was unanimous in the positive. Debbie Koji, Michelle McCarthy, Jenea Slight, Tonya Van Dyke, and Lisa Whiting all voted Aye.

Calendar input for 2014-2015

Vote for Calendar B – Michelle McCarthy and Jeanea Slight

Our SCC voted for Calendar A

Mill Hollow

Feedback and Ideas are being asked for. Look forward.

School Survey

Michelle McCarthy will take home and pull together results. We will go over the answers next month.

School Loading Zone

Buses are going to be angled. This will cut off parking from 3:15 until 3:30 in any of the school parking lots.

The SCC feels like it is a good idea.

Debbie Koji will call the WVC Police about the parking issues around the cross walk by the loading zone. Neither the crossing guards or students can see the coming cars because of parked cars.

Meeting Adjourned at 5:55 pm.

Next SCC Meeting is April 10th at 4:30 pm.
