

Diamond Ridge SCC
October 3, 2013
Room 119

Attendees: Debbie Koji, Michelle McCarthy, Katie Shaw, Tonya Van Dyke, Lisa Whiting

Meeting called to order by Debbie Koji at 4:35.

Lisa Whiting was introduced as the newest member of the School Community Council. She has served before on an SCC and so she comes in knowing a lot about the process.

Meetings will be held on the first Thursday of each month in room 119 at 4:30 PM. All are welcome to attend.

Michelle McCarthy will serve as Chair of the Diamond Ridge SCC for the 2013-2014 school year. Tonya Van Dyke will serve as Vice Chair.

Principal Koji was unable to finish the SSAP plan because needed testing data was not yet available. When testing is available she will send the finished plan out by e-mail. Members of the SCC should respond by e-mail. If plan is approved Principal Koji will submit. If there are concerns the plan will be added to the agenda of the next meeting.

The State LandTrust had a good year so we will have more money to allocate. We are continuing to use the money for additional reading and math aides and hope to add some additional French Aides as well. Because of the language requirements French Aides have been hard to find.

The Riverton After School Music program has started up successfully. We had 65 kids sign up from the 5th and 6th grade. They attend lessons on Tuesday and Thursdays after school. Performance opportunities in the school are already being discussed.

Next SCC Meeting is November 7 at 4:30 pm.

Meeting adjourned at 5:15 pm.
