

Diamond Ridge Elem. School
Community Council Meeting Minutes
March 7, 2018

Meeting Convened – 4:40 pm

In Attendance: Monica Thayer, Lisa Whiting, Melissa Bouderbala, Stephanie Storey, Melanie Chambers, & Yajaira Martinez.

-February meeting minutes were approved by all council members. Melissa moved to accept the motion and Stephanie second the motion for the approved meeting minutes.

-Staffing decision. Last month we had two plans to choose from for the staffing plan for next school year. Since our last meeting, the district projected us to have 746 children next year which takes us to 27 Full Time Teachers (down from 28 Full Time Teachers this year). With that number Monica had to cancel the plan with the interventionist. If we have more children enroll for the 2018-2019 school year the plan could change. However, at this time we have the following number of teachers to be assigned to each grade level.

Kindergarten	2
1 st Grade	4
2 nd Grade	4
3 rd Grade	4
4 th Grade	4
5 th Grade	4
6 th Grade	5

The plan was approved by all council members. Lisa moved to accept the motion and Monica second the motion for the 2018-2019 staffing plan.

-Next year's School Community Council will have two vacancies on the board. Lisa and Stacy have fulfilled their 2 year term once this council year is over. If any of you would like to help out with SCC please fill out an application and turn it in to the office. 1 hour a month is all it takes.

-The LAND Trust Plan for next year is already in the works. Our goal is to have at least 80% of our children progress at typical or above typical progress in their reading during the 2017-2018 school year (as assessed by DIBELS) and to have the median growth percentile, as measured by SAGE, demonstrate that students have gained at least one academic year of growth or more (40% or higher MGP for each teacher). We have an estimated distribution in 2018-2019 of \$75,000 with \$72,000 going to salaries and Employee benefits, \$1,500 to Library Books, and \$1,500 to Technology related hardware/software.

-Other information. At this time we do not have anything to go over for the April Council meeting; therefore the April School Community Council meeting has been canceled.

-Meeting adjourned 5:00 pm.

-Next meeting will be May 2, 2018 @ 4:30 pm in the school collaboration room – Rm 119
