

# School Reopening Plans Template

Name of School 

Each School in Granite School District is required to develop local plans for reopening school for in-person instruction in the fall of 2020. In this document, principals, should provide assurance that they have met the specific requirements from the district in their planning process. This document can be used in conjunction with the USBE School Reopening Handbook, which provides recommended considerations to guide planning and additional details. The requirements contained in this template are subject to change and will be updated accordingly.

### Mitigation Tactics for Specific School Settings

LEA Mitigation Strategies for Specific School Settings

Analyze each of the following settings to determine the appropriate risk mitigation strategies to implement. Please consider the 7 Characteristics of a Situation as you plan your mitigation strategies.

| Setting     | Mitigation Strategies   |
|-------------|---|
| Classrooms  | <ul style="list-style-type: none"> <li>✓ Teach and reinforce all social distancing and safety principles to students repeatedly (make it part of the routine)</li> <li>✓ Students required to wear face coverings when engaged in contact longer than 15 minutes or within 6 feet</li> <li>✓ Desks in all classrooms vs. students sitting at tables</li> <li>✓ Assigned seating to help track contact tracing if needed (also consideration for small group instruction)</li> <li>✓ Maximize space between seating/desks</li> <li>✓ Seat students forward</li> <li>✓ Nonessential furniture and equipment out of classrooms to increase distancing footprint</li> <li>✓ Classroom cleaning bucket w/supplies/sprayer</li> <li>✓ Used rags container. Laundry bags or other containers that are for safely gathering cleaning rags/supplies. Laundered daily</li> <li>✓ Student water bottles (brought from home/school purchased)</li> <li>✓ Water bottles will be provided and to be filled, stored, and cleaned in the classroom</li> <li>✓ Carpet Dots/vinyl stickers/tape for floors to teach and encourage proper social distancing when lining up</li> <li>✓ Individual student books/supplies kept at each desk - no sharing</li> <li>✓ Student totes (purchased from district), or other options containing all materials for each student.</li> <li>✓ Removal of all gathering rugs from classrooms</li> </ul> |
| Transitions | <ul style="list-style-type: none"> <li>✓ Apply floor markings &amp; signage to direct traffic flow and provide distancing. Traffic must flow in one direction only. 2-way traffic stay to the right</li> <li>✓ Increase time for transitions</li> <li>✓ Use alternate methods of providing water/no use of drinking fountains</li> <li>✓ Prop doors open or have door holders to reduce touch</li> <li>✓ Clean high-touch surfaces before/after transitions</li> <li>✓ Require students/staff to wear face coverings during transitions</li> <li>✓ Minimize/monitor congregation of students during transitions</li> <li>✓ Teachers rotating during transitions instead of students decrease exposure risk (as needed/where possible)</li> </ul>  |
