7:30 a.m. Driggs Library

- 1) Approve amendment for Land Trust and TSSA funds to be cover lower than expected student enrollment leading to a loss of .5 FTE
- 2) Available trainings
- 3) Meeting schedule for school year
- 4) Chair and secretary elections
- 5) Minutes approval from August meeting

### Available trainings:

The state will be hosting a statewide SCC training on October 29th in the evening at the GEC. They will be moderating a panel with a principal and parents. They were hoping to have at least one principal and other good parents who have been involved with SCCs for some time to be on the panel. If you and/or one of your parents would be interested and willing to participate, would you let me know ASAP?

Thanks,

Ben Horsley

### Minutes for approval:

Howard R. Driggs Community Council Agenda

August 22, 2019 7:30 am school art room- relocatable classroom

1. Discussion of Network Survey Results
2. Vote on Reconfiguration

### Questions to consider:

Questions that we will need to discuss at our meeting and please feel free to add, but I need to set an agenda by Tuesday to get this meeting posted and publicized:

1. Does the Driggs CC want to request grade reconfiguration?
2. Does the current council decide this or do we wait for the new council that will be elected in September to decide.
3. What year do we want to reconfigure, start of next school year 2020-21 or wait until 2021-22?
4. Any other information that we need to discuss?

## 5. Patron discussion time?

Please let me know your thoughts. There is a lot to consider. One question you might have for me is could we really reconfigure by the start of next school year? Yes, I could, it would be a very busy year in preparation, but with the 3<sup>rd</sup> year of the big teacher pay increase at the end of this school year I am going to have retirements, so I can take advantage of this to help build the new staffing for the school. However, I also want to be sensitive to other councils and see if they can also do this. It's a little bit of a balancing act and I will contact other principals to see what their thoughts are.
