

Agenda 11/20/19

7:30 a.m. School conference room

1. Introduction of District SCC members
2. Minutes approval
3. Feedback from teachers about classroom options for next year (20-21)
4. School plan reflection
5. Beginnings of a new plan-
 - You should have a start on **NEXT YEARS TRUSTLANDS BUDGET**. You will be putting this together in January, so be prepared and start soliciting ideas, suggestion, etc.
 - Is your school an **ANTI-IDLING ZONE**? Does your school have sufficient signage asking patrons to not idle while picking up? We have more signs, and window decals if you need them. Each SCC should take the lead with this program. Discuss as a SCC how you can help with this initiative. You can find more information, including printable items at <http://utahcleancities.org/idle-free/> (scroll to the bottom of the page for the printables).
 - Watch training video, Creating a plan - [Creating a Plan](#)
 - You should have already viewed the videos for [SCC Intro.](#), [Elections](#), and [Job Descriptions](#), [Additional Responsibilities Video](#)
 - Review Bullying plan with SCC. Solicit suggestions & feedback and make sure everyone understands the policy.
 - Have you made contact with your elected officials? Make sure that they have a roster and schedule of meetings. Always keep that line of communication open. If you need help identifying your representatives, contact our office.

Minutes for approval:

Attendance:

Kim Stohl

Brock Holt

Juan Arce-Larreta

Chris VanDam

Trudi Day

Lacie Hyden

Benjamin Peters

1. Approve minutes-Juan motion, Chris second- all in favor

2. Reconfiguration:

Want 5th grade to have the same experiences as they would in 6th grade

-End of year awards ceremony

-5th grade ideas

End of year celebration for 5th grade separate promotion

Awards Ceremony

Oly Junior-open houses in the evening

Ben- follow up about Oly night or field trip (last week for a transition day) May? 6th grade format?

Schedules? And timing for Junior High?

Ideas for empty classrooms-
 Limited storage space in classrooms
 Science lab space
 Move art inside the building
 Move art relo off the grounds move art inside
 Survey teachers about needs for rooms- Ben follow up on SNAD day
 Ideas at this time
 Upper grade science lab
 Lower grade science lab
 Reading specialist room
 Sensory room
 Move relo off school grounds and the art room into the school

Check with district as to their thoughts on the district vision to empty rooms?
 We have the ay as a school as to what happens, if we have empty rooms the district will use these spaces for District programs.

Teacher feedback to be presented at our next meeting.
