	K	1st	2nd	3rd	4th	5th
District Goals	77%	85%	81%	85%	85%	85%
Driggs	75%	91%	79%	90%	87%	86%

3. Discussion of Allocating Funds for Additional Specialist: Need more personnel to assist with testing. Peterson to follow up on further fund allocations for additional specialist.
4. Discuss Highland and 4620 bus safety issue: In prior years, bus would drive down 4620 and turn around, but being that this isn't protocol and buses should not drive down a street and turn around, it currently parks on Highland which is a busy street. Peterson has contacted Milcreek and Holladay police stations requesting patrol and been told okay, will follow up today to see actual situation. Discussions of whether the end of 4620 can have a bus stop, and potential following up with Chief of Police at Holladay.

Next meeting: Thursday, December 16, 2021 (Peterson's birthday!) at 7:30 am
