

BOOK FAIR

The Storybook Cupboard Fall Book Fair

Eastwood is hosting an in-person and online book fair with The Storybook Cupboard, open to all, including friends, family, and neighbors. The fair offers a fantastic book selection and supports Eastwood's library. Teachers can bring their classes to explore books before SEP's, and students receive Wish Lists to remember their favorites. Teacher Wish Lists are available at the in-person fair's cashier table, and those interested can donate purchased books to their student's classroom. All proceeds benefit Eastwood's library, with 20% of total sales dedicated to acquiring new books for students to enjoy throughout the school year. We greatly appreciate your support!
