

## Eastwood Elementary Announces Community Council Elections

School Community Councils are elected parent/guardian and employee representatives who work together with the principal to increase student achievement. By law, the council is responsible to review school data and develop plans for school improvement. Councils also allocate the LAND Trust funds to assist the school in reaching achievement goals. Please see the Granite District web page for more information regarding the roles and responsibilities of community councils (www.graniteschools.org)

To be eligible, a parent must have a student enrolled in the school for at least one of their two-year term. We invite you to become involved in your school's Community Council by declaring your candidacy. Please return the bottom portion of this form to your school's principal no later than Wednesday, August 21, 2024.
