

**School Student Achievement
Eisenhower Junior High 2012-2013**

Goal - Literacy

MEASURABLE OBJECTIVE

1. The percent of students improving will increase from 61% in the fall to 75% in the spring benchmarks in MY Access! measured by frequency distribution or performance summary data.

Goal - Mathematics

MEASURABLE OBJECTIVE

1. The percentage of students showing growth in mathematics using Acuity Progress Screener will increase from 32% in Tier 3-4 at the beginning of the year to 45% Tier 3-4 at the end of the year.

Goal – Enrich and Increase Parent and Community Engagement

MEASURABLE OBJECTIVES

1. 100% of the teachers will have a web presence that is information-based and up to date.
2. School will maintain a well-designed, up to date, information-based school web site.
3. Student participation in extra-curricular and service activities connected to the local community will increase from .15% to 1%

Action Steps

Literacy

1. Teachers will post content and language objectives to help students understand learning goals and expectations for proficiency.
2. Teachers will use benchmark assessment results to guide instruction and re teaching.
3. Teachers will assign one formal writing assignment per quarter and one on My Access per semester. English teachers will exceed this goal.

Mathematics

1. Teachers will post content and language objectives to help students understand learning goals and expectations for proficiency.
2. Teachers will use benchmark assessment results to guide instruction and re teaching.
3. Administrators will provide effective instructional leadership for the school.

Parent and Community Engagement

1. School Community Council will allocate resources focused on increasing student achievement.
2. Parents and school will support community engagement through actively promoting the YMCA after school program.
3. Schools will participate in Gear Up to promote student achievement and parent interaction.
