

Principal's Message

-Parent Teacher Conferences are coming up September 22nd and 23rd from 4:00 PM to 7 PM. The conferences will be conducted virtually because of COVID-19. You can sign up on the portal through Canyon Creek Scheduler. There are directions on how to schedule an appointment on the school website. We will be using zoom for the virtual meeting. All zoom links to teachers will be posted on the school website under the Faculty/Staff tab and in the Canyon Creek Scheduler. The password for all zoom meetings will be generals20. We will schedule the appointments every 5 minutes, so the teachers can meet with more parents and students. If you feel you need more time, you can always email or schedule another time outside of the allotted time for Parent Teacher Conferences.

-We will have Spanish and Arabic interpreters available on September 23rd from 4:00 PM to 6:00 PM. Please email the teachers and let them know if you need an interpreter.

-Please check the school calendar for updates on distance learning days. Next week, the distance learning day will be on September 24th because we do not have school on Friday. For those weeks where there is no school on Friday, the last day of the week on a school day will become a distance learning day.

-We will not have school on September 25, 2020.
