Community Council 2016-17 School Plan

We reviewed the plan and submitted it online. It is similar to last year but adds AVID. Plan is available for online viewing.

Betsy Valora submitted proposal to accept and submit plan.

Michelle Christensen 2nd the proposal.

Proposal was passed unanimously by the council members in attendance.

School-wide Intervention Plan Update

The Tier 2 option submitted by DeAnn Neal last month was proposed to and accepted by the teachers in a meeting they held recently. It will be implemented next year. The student's class schedule will stay the same and intervention will be done teacher by teacher. See Community Council March minutes for more detail.

2016-2017 Class Scheduling

Terri and Sherri are working tirelessly on the scheduling and are almost done. The students drive the schedule. Once Terri and Sherri are finished, the counselors will have plenty of time to fill in the holes.

Meeting adjourned at 4:10 pm
