

SCC Minutes May 8, 2017

Eisenhower Community Council

Attending: Mark Ellermeier, Sue Weierman, Betsy Valora, Teresa Gerber, Rebecca Riggs, DeAnn Neal, Cory Martin

Meeting called to order at 3:15 pm

**1. Update on staffing needs**

Our teaching positions have been filled except we still need a 7th grade science teacher and aids for language arts. We need at least 2 more aides. Betsy Valora will also be working as an aide.

**2. Update on PTSA President and any other PTSA updates**

Our new PTSA President for next year is Hillary Dalton; Treasurer is Sara Timpson. Sara has a lot of experience and will make a great treasurer.

**3. Status of Community Council members returning next year**

The school district is wanting a school counselor to be voted onto Community Council. We don't have a set number of members required, but we do need 2 more parents than there are faculty members. We have openings and a need for parents. There will be an email and teleparent contact go out to notify parents of the need and openings. If anyone is interested, you need to fill out and submit a Declaration of Candidacy form to Eisenhower Jr High by August 31, 2017. The form is available to download and print under the Community Council tab on the Eisenhower General's web page.

**4. Status on Funds for the year**

We have done well on spending the money where we said we would. The biggest discrepancy is on the aides. The rest is accounted for: AVID, tech, and most of the aide money is spent. For next year, we will need all of the aides we have now, plus 2 1/2 language arts aides and a special ed aide.

**5. Review of Year-End activities at the school (Concerts, Awards, Promotion)**

Band and Orchestra is this week, Awards ceremony next week, Lagoon and Promotion the final week of school. Testing is finishing up.

**6. Other items for discussion**

There was an email sent out that we now have a defibrillator. It is by the office and the instructions are very clear if it is ever needed.

**7. Future agenda items**
