1. School Plan Review

Principal Ellermeier reviewed the plan with us. Included in the plan was \$32,000 budgeted to Aids/ESL, of which \$9,000 has been spent so far – that puts us on track for the year. We also spent all extra monies on tech.

2. Update on incentive programs

We now have PBIS / 200 Club – Sue Weierman and others think the program is successful.

3. Update on Latinos in Action

This program will not use Trustland funds. It will help students be successful and it includes a curriculum. Amy Burgeon will be the teacher, and this program will be implemented next school year.

4. PTSA update

The Halloween celebration was changed this year to include more games with less emphasis on the dance, and Rachel felt that the changes were well received and positive. The after-school movie this month will be Big Hero 6, and next month's movie will be Home Alone. December 13 there will be a lunchtime activity.

5. SSAP (School Student Achievement Plan)

Principal Ellermeier is working on it as it is due at the end of this month. Our focus is and will continue to be numeracy and literacy.

6. Veteran's Day

Kammie Jones suggested that the students do not really know what Veteran's Day is and why we celebrate it, and that it might be a good idea next year to have some activities the week of Veteran's Day to help the kids get informed in a fun way. This idea was supported by others attending.
