

Minutes for Eisenhower Jr. SCC
April 11, 2018 Media Center

Present:

Mark Ellermeier
Betsy Valora
Sue Weierman
Fern McLelland
Mike Valdez
Christine Anderson
Tere Gerber
Hillary Dalton
Kammie Jones
Ms. Johansen

2. Motion to accept last month's minutes was proposed by Sue Weiermann and Seconded by Betsy Valora

3. Mr. Ellermeier

SSAP update: 7th grade had a 10% gain, 8th grade had a 13% gain, and 9th grade had a 7% decrease. Math sage is coming up.

Current status on schedule and staffing needs: Hiring for science and behavioral unity. Mr. Martin and Ms. Gerber are currently working on next year's schedule.

Day of service/ Yearbook Day-May 22: Meeting on April 12th. A few parents have volunteered.

4. School Counselors: Ms. Gerber: The counseling center is working on next year's schedule.

5. School Programs: Ms. Weiremann

a. Input on 1's in citizenship—informing parents on policy

7th graders are receiving 1's in citizenship because their absences are unexcused. Hopefully this is a problem which can be solved by more information getting to the parent. Suggestions included emails home, teleparents, sample notes, marketing campaign with a tag line: "We are Preparing Future Leaders" to help students take responsibility.

b. LIA Awards Night: Wednesday, April 25th, 7:00 p.m. Big Deal. The students have worked really hard for this night. Kudos to Amy! Her program is making a difference!

c. District Music Festival: Really important for the humanities. This is their "Sage". Teachers need to respect each other and work together to make sure students can participate.

d. SAGE testing: English has started. The other subjects will be starting and tests will be given until right before the end of school. The district is providing breakfast April 30th-May 4th.

e. Feedback on Net Smartz Assembly: April 6: The students really liked it and it was very informative.

6. PTSA—Hillary Dalton

The PTSA fundraiser was not very successful but they can continue to sell the cards until they are gone because they are good for an entire year. Mr. Ellermeier stated that the school really appreciates parents who serve on the Community Council as well as in the PTSA. We need to get more parents involved. One suggestion was made to provide a nursery, perhaps with a student organization watching them during the meeting.

7. Next SCC meeting: May 9, 2018
