Despite all the snow, great things are happening at Eisenhower!

With just over one month left in the term, students are working hard to demonstrate their proficiency in each of their classes. We encourage students and parents to check Gradebook and Canvas regularly and email teachers with any questions or concerns.

On Tuesday, February 23rd, our 8th grade students will be participating in the statewide SHARP Survey sponsored by the State Board of Education and State Department of Health. Any 8th grade students who have not yet turned in a permission form can visit their math teacher’s Canvas page for access to a digital version. More information about the survey can be found at: https://www.graniteschools.org/psp/sharp-survey/

Spring pictures will be available on Wednesday, February 24th. Informational fliers will be sent home with students on Monday. Those who plan to have their picture taken should bring their order form and money with them on picture day. Additional order forms will be available to distance learners in the office.

Eisenhower is proud to introduce our new school announcement system. Parents can now access announcements on the school website by clicking on the “KEJH News” tab in the maroon bar at the top of the page.
