Dear Parents and Students,

Welcome to the 2021-2022 school year. We are excited for the new school year and to see the students on August 16th.

We will have two orientations this year as we will have 6th and 7th grade new to the school. 6th grade orientation will be August 12th from 9 a.m. to 10:30 a.m. 7th grade orientation will be August 12th from 1:00 p.m. to 2:30 p.m. The orientation will be in the auditorium. We will introduce the administrators, teachers, and counselors and you will have the opportunity to tour the school.

Registration opens in the parent portal August 2nd. On our website under registration there is a video with details on how to use the parent portal. All students will be charged a basic fee. The fee waiver will be available online and you can upload your documents and turn it in through the portal. You also will have the option of dropping off the fee waiver application and documents to the front office.

We are excited to announce the following staff coming to Eisenhower: Misty James and Deborah Parr are our new science teachers. Jose Mendez is our new Dual Immersion teacher. Elaina Gessel is our new CTE teacher. Ofa Nau and Michael Carlson are our new assistant principals. Daniel Gudmundson and Christine Martinez are our new counselors. Claudia Reyes is our new Social Worker.

We have an amazing staff that put students first. We want all out our students to feel welcome and comfortable at Eisenhower Junior High. My door is always open so if you have any concerns or questions please do not hesitate to ask. I am lucky to be the principal of such a wonderful school filled with excellent students. I appreciate all that you do for your children, and we want to work with you in helping them reach their potential.
