

Eisenhower Jr. High School Community Council

November 10, 2021

Media Center

3:15 p.m.

In attendance:

Betsy Cline

Mike Valdez

Mark Ellermeier

Ashley George

Tere Gerber

Hillary Dalton

Andra Taylor

Merri Rygg

Ashley welcomed everyone to the meeting and presented the agenda.

Netsmart Assembly-- It is required, by the state, to have an assembly to help kids be responsible with the internet. Netsmart does a good job. The students were informed and entertained at the same time. Betsy brought up an app (BARK) which helps parents block different apps on their child's phones.

200 Club Awards-- Each teacher has a stamp and the students who are on task are potentially rewarded with a stamp. Every 10 stamps a student gets allows them to purchase something from the school "STAR Store". Parents are receiving feedback from their children that there is an inequity of stamps being given. Older students aren't receiving as many stamps as the younger children. Mr. Ellermeier will talk to the teachers and remind them to give out more stamps.

Staff Openings-- There are a number of openings at Eisenhower including: custodial, ESL Aides, and substitutes. As word of mouth is the best way to communicate these openings, please let your friends and neighbors know about the need for people to apply for these positions.

Community Council Videos-- The members of the community council watched a couple videos about our responsibilities.

Communications Feedback from Parents—Mr. Ellermeier wants to make sure each parent is able to receive communication from the school. The school will be using text and email. If your information has changed or if you have not received any texts or emails, please contact the school with this information.

The principal will share the School Improvement Plan with those attending, next meeting.

The next meeting will be held December 8, 2021, at 3:15 p.m.
