### Land Trust Plan

The School Land Trust Plan will consist of getting students College-Ready. That will include a personalized reading goal for each student, focusing on growth rather than proficiency. The schoolwide goal will be 58% of students reaching their reading goal. Currently 53.55% of our students have reached their goal, with Pacific Islanders and SPED needing the most attention. To reach this goal Mr. Ellermeier asked the community council to pay for ½ of 2 ELA teachers and 514 Chromebooks with LandTrust money.

### FTE-Staffing

Mr. Ellermeier will be transferring to Kearns Junior High and Wes Cutler will be coming here from Evergreen Junior High. Other Staff members who will be leaving at the end of the year: Denise Fiack (retiring), Emily Roh (leaving education), Whitney Dawe (leaving education), Misty James (transferring to Bennion), Mike Carlson (transferring to Valley), Jaynell Hollins (transferring to Granite Park), Christine Martinez (transferring to Olympus), Loren Mott (leaving education) and Jill Riches (leaving education). We will miss all of them and look forward to some new faces at Eisenhower next year.
