

Elk Run Elementary Community Council

Meeting Minutes

Date: Monday November 21, 2016

Time: 4:15-4:35PM

Location: Elk Run Elementary School (Conference Room)

Those in Attendance: Dona Harris, Lisa Smits, Kristine Siler, Heather Bosworth

Purpose of the Meeting: Discuss the SSAP and what was learned at the Cypress Network sky bridge meeting

What was Discussed:

- SSAP (School Student Achievement Plan): Last year's goal was to increase reading using DIBELS as a way to measure the growth and to increase math scores using SAGE as a way to measure the growth. This year's goal is the same; we will use the district DIBELS increase goal and increase math by 3% using SAGE as the measurement. We are also committed to helping all students learn, we will use district approved curriculum as well as various forms of instructional strategies. We want to help students on the path to being college and career ready. We want to increase community and parent involvement and communication.
- Sky Bridge: Nothing going on with the sky bridge at this time. The county is looking for more long term solutions besides the sky bridge because the sky bridge will not solve all of the issues happening on 8400 West. They are looking at putting in a 4-way light at the corner of 3600 South and 8400 West as well as rerouting semi-trucks and other big trucks onto Rio Tinto roads.

Motions:

- Motion to approve the previous meeting's minutes. Lisa moved to approve and Heather second the motion. The vote to approve was unanimous.
- Motion to approve SSAP. Heather moved to approve and Kristine second the motion. The vote to approve was unanimous.

Assignments:

- NO assignments were made.
