Purpose of the Meeting: Sky Bridge plans, School Bully Policy and Procedures, SNAP map

What was Discussed:

- Sky Bridge Plans: no new information about the plans for the sky bridge. There is an increase police presence on 8400 West.
- School Bully Policy and Procedures: We use the Respect Initiative to help students know how to handle problems, school wide rules, Buddy Box where students can write about problems and good things that are happening, and the Be Your Own Ally assembly. Random students in the 4th -6th grades were given a questionnaire about bullying at our school. The students responded that they felt safe and that they know what to do when confronted with a possible bully.
- SNAP map (safe walking routes): The SNAP map is available on the school web page and SNAP maps were handed out at registration before the school year began.

Motions:

- Motion to approve the previous meeting's minutes. Heather moved to approve and Dona second the motion. The vote to approve was unanimous.

Assignments:

- Lisa will send a reminder email for the next community council meeting and will ask for a response to the email to check that everyone is getting the emails.
- Lisa will look at past meeting minutes to find the name of the safety person who spoke with us last school and then email that name to Kristine.
- Kristine will email the safety person to invite him to attend a future meeting to get help with answers about possible signs for in front of the school and the park.
- Heather will look on the school web page to find the SNAP map.
