

## Elk Run Community Council Agenda and meeting notes

Jan 22, 2024

1. Cell phones in schools-informational topic
  - a. The governor is starting a campaign to remove cell phones from schools.
  - b. Discussed the harms of social media
2. Temperature for inside recess
  - a. Discussed that having 2 temperature thresholds is confusing
  - b. Considering a change to one temperature threshold for simplicity
  - c. Mrs. Wells will send an email to the council for them to send their input on this change.
3. MOY Acadience reading data
  - a. We reviewed our mid-year acadience reading data
  - b. Checked progress toward goal
  - c. We are below our goal of benchmark of 70%, but we have until the 26-27 school year to hit that mark
4. Land Trust plan for 24-25
  - a. In conjunction with the discussion on the reading data we discussed our current land trust plan and began the discussion about our plan for next school year.
  - b. No decisions were made, but we will make decisions next month for the coming school year.
