President's Report: Farnsworth PTA will be receiving a check of \$1300 from 1-800-Contacts for helping at the 1-800-Contacts family event in July. The teachers received a back-to-school gift of a bag, wipes, Kleenex, and water bottle. Thanks to Tori and Lana for putting them together. The marquee sign has been ordered and parts are here. The district is working on the electricity part. The back-to-school event was well attended. We have 40 members and sold spirit sleeves and T-shirts. Karyn would like a PTA membership goal of 100% faculty and at least 150 members. A new design (a kinder tiger) for a T-shirt has been submitted. Mrs. Bramble will register the school for SNAP (Student Neighborhood Access Program). The program promotes a healthier lifestyle and encourages walking to school. The fundraiser kick-off assembly will be Tuesday, September 24. Cases of chocolate will be available for pick-up during SEPs. The Reflections theme is "Believe, Dream, Inspire". More details to come later. AmeriCorp Program is a program to help lower readers to read better. Thirty volunteers for 30 minutes twice a week are needed.
