### **Walk More in Four:**

UDOT Student Neighborhood Access Program (SNAP)<sup>TM</sup> team is sponsoring a statewide walking and biking challenge, **Walk More in Four**. The Walk More in Four challenge is a great way to begin a habit of walking and biking safely to school at the beginning of the year. To participate, students should

walk or bike to school at least three days a week during the four weeks in September. Students who don't live close enough to walk or bike to school can still participate by practicing safe walking and biking habits in their neighborhoods or getting dropped off and picked up further from school (and avoid the traffic congestion near the school)! This year, tracking students' Walk More in Four progress is easier than ever, thanks to a **NEW online progress chart!** Students can track and submit their progress charts by clicking on the Online Progress Chart button at [udot.utah.gov/WalkMoreinFour](http://udot.utah.gov/WalkMoreinFour). Students who successfully complete the challenge will be entered into a drawing for prizes, such as bikes, scooters and helmets. Schools can also compete for the Golden Tennis Shoe traveling trophy and a **\$500 cash prize** for their safety committee. Register your student online (<https://snapwmif.com>).

### **SEP Conferences**

Conferences with teachers will be held September 25-26. The online scheduler will be open from September 9 through September 20. A link to the scheduler is on the school website and step by step instructions were sent home and are also available on the website (<http://schools.graniteschools.org/farnsworth>). Please call the office at 385-646-4822 if you need assistance signing up for a conference.

### **PTA Fundraiser**

The PTA will begin their fundraiser on September 24. They will be selling chocolates again this year – look for more information coming soon!

### **School-wide Expectations**

We will continue to reinforce our school-wide expectations of: Follow Directions the First Time, Be Respectful, and Keep Your Hands, Feet and Other Objects To Yourself (KYFOOTY). We appreciate your support in encouraging your students to make good choices!

### **UPCOMING:**

September 25-26: SEP Conferences  
September 27: No School: Comp Day
