GRANITE SCHOOL DISTRICT is excited to bring your family the **PLAY UNPLUGGED** program this summer. The program encourages children to get outside and play by giving them dozens of activities (fly a kite, go for a hike, collect bugs, etc.) that they can do. Each activity has a corresponding BRAG BADGE sponsored by local businesses. When the child completes the activity they go to the sponsoring business and pick up their BRAG BADGE. For more information, check out this video: <http://vimeo.com/92370074>. Students will bring their lanyards and more information home on May 30!
