

Farnsworth Newsletter

April 29th, 2019

Thank you for taking the time to read this newsletter!

TESTING DATES: Students are still testing now through May 10th. Please make every effort to have your child well rested and to school on time. Thank you!

Great Shake-Out: On Thursday, April 18th, we participated in *The Great Shake Out* to practice our emergency plan in case of an earthquake. The students stop, drop, and cover and then evacuate the building quietly in order to listen to instructions. If we were to evacuate to an alternate location, you would be informed through a phone call and email. **Please make sure your phone numbers and emails are kept up to date with the school office!**

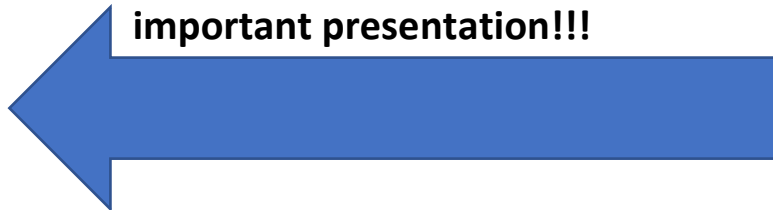

School Safety Reminder: Please do not park in the drop-off/pick-up zone in front of the school (or encourage children to walk between cars from the second lane). Pull up to the curb so that your children can be safely dropped off or picked up. We also ask that you use the crosswalk if you are parking and walking your child to a car. Thank you!

Digital Safety: How Are Kids of Today Spending Their Time Online?

Join us for a special presentation about Internet and smartphone safety and how you can protect your kids from unwanted content and potentially dangerous online situations.
