

# Farnsworth Newsletter

April 8th, 2019

Thank you for taking the time to read this newsletter!

**TESTING DATES:** Students will be testing from April 22-May 10<sup>th</sup>. Please make every effort to have your child well rested and to school on time. Thank you!

Parents and students may go onto the RISE practice site and explore the 'Students and Family' section on the website ([utportal.questarai.com](http://utportal.questarai.com)). View the 'On-line Question Sampler.' Students are able look at sample questions for ELA, math, science, and writing. The questions represent multi-grade levels, so content may not be exact to your child's grade. However, problems will help give a general idea of how the questions will be asked. In addition, at the bottom of the page is a 'Quick Tips' section. Students can use the tips to learn about different tools available on the end-of-year test.

**School Safety Reminder:** Please do not park in the drop-off/pick-up zone in front of the school (or encourage children to walk between cars from the second lane). Pull up to the curb so that your children can be safely dropped off or picked up. We also ask that you use the crosswalk if you are parking and walking your child to a car. Thank you!
