### **School Safety**

Parents thank you to those who have made the effort to park in a parking stall and walking your student to their class line. We appreciate your attention to the safety of our students. If you are walking your student to or from class to your car, please make sure you are using the crosswalk. We are seeing several parents and students crossing through the parking lot and this is unsafe. Please help us keep all the students being dropped off and picked up safe.
