1. Approve minutes of May 2012 meeting. Motion to approve- Lynn Cooper, Second- Abby Miller.
   Unanimous to approve.

2. Principal’s update.
   • The traffic flow in front of the school has changed and is flowing smoother. However, cars are going
   faster through the area and that causes some concern for safety. We had a student hit by a car – not
   seriously injured. We have involved John Taylor, the Engineer for Taylorsville, and Detective
   Valencia from Granite School District Police to determine ways to improve student safety in the
   area.
   • We have 880 students enrolled, and have hired an additional teacher. We will receive an another
   relocatable building, bringing our total to 9 relos.
   • SSAP plan is due in October.
   • Halloween is on a Wednesday this year, with Thursday scheduled as an early release day. The
   Halloween parade and parties will be Thursday, November 1.
   • The new exit to the north parking lot is expected to be started soon.

   • There are four available positions for parent representatives; three two-year positions, and one
   position for one year to fill the vacancy left by Nilsa Carter. Four people turned in forms expressing
   interest. Since that is equal to the number of vacancies, there is no need to hold an election.
   • Cindy Jewkes will be the new teacher/staff representative.

4. Set meeting schedule. Tabled until next meeting when the new council will be present.

Next meeting: Tuesday, October 16, 2012, 4:00 p.m. in the Media Center
