Fox Hills Elementary
Community Council Meeting minutes
Jan 11, 2018 at 9 AM in YMCA relo

Attending: Susan Bond Ross, Teri Daynes, Vanessa Park, Sherry Talbert, Laura Zimmerman, Stephanie Orphanakis, Brenda Shamo, Marie Roe

Excused: Christy Richards

Minutes from Oct and Nov were approved

Current LAND trust plan 2017-18 budget - We are on track with our spending.

Leadership Conference - Jan 22nd Susan has everything set up and it is ready to go.

We discussed a little about the SSAP and agreed aides are an important part of fulfilling our goals. We also talked about more smartboards, but there is a concern that Smartboards may be on the way out so we may want to hold off getting too many.

SEP conference advertising for SCC - Marie and Susan said they will make signs to hang up in the school to help point out what SCC does.

Other:

The school will be under construction for the next few months and we are losing a computer lab - there is concern about testing with Chromebooks (screen too small and it is hard to move around without a mouse).

Update on 6th grade going to junior high - it will not happen unless SCC starts the process.

In trying to help students, it is hard to find a time to take them out of class when they won’t be missing other instruction.

If anyone has information for the district - District community council is the last Tuesday of the month.

Meeting adjourned 9:50 AM

Next meeting Feb 8th 2018
