School LAND Trusts information available @ [http://www.schoollandtrust.org/](http://www.schoollandtrust.org/)

Fox Hills received a grant last year and purchased chrome books for all classrooms. The grant also includes a School Technology Support “STS” person. Therefore, the $20k allocated for chrome books is not needed this year.

Due to lower student enrollment this year (770 last year, 718 current), one 2\textsuperscript{nd} grade teacher was moved to another school today based on the September 10\textsuperscript{th} count. Students were divided between other 2\textsuperscript{nd} grade classes. The school is in jeopardy of losing another half teacher at the October 1\textsuperscript{st} student count, which equals about $37,000.

Motion to move $20k technology funds for teacher salary by Teri Daynes
2\textsuperscript{nd} of motion by Vanessa Park
Unanimous approval - voted by all members

Action item - Teri Daynes to reserve additional $17k funds for teacher salary.

**Other....**

**GSD Board Updates** by Carrie Johnson (801-870-8989)

1. Study began for “Bangerter Corridor Boundary” on both sides of Bangerter Highway. This change could affect Fox Hills boundaries.

2. Arcadia Feeder Pattern change finalized, changes effective 2019-2020 school year.
   - Current: Arcadia Elem to Bonneville Jr to Cottonwood (6\textsuperscript{th} grade Bonnevile)
   - New: Arcadia Elem to Bennion Jr to Taylorsville
   - Projected group impact = 120 students through Bennion Jr next year
3. School Bond impacts – Money set aside for Taylorsville High Rebuild 9th Grade Wing if/when Taylorsville network makes the decision to move 9th grade to the high school campus. Per Carrie, blueprints available on GSD website. However, GSD will not move forward until the Taylorsville Network and the local school community councils request to make the change. The decision will affect Fox Hills because all elementary 6th grades will move to junior high. Currently only 2 high schools (Olympus & Taylorsville) in GSD have not yet moved to the 6-8 and 9-12 campus models. Olympus network is moving that direction.

   Action item – Kylie to add 6th grade moving to Jr High as agenda item to next meeting

UT Dept of Transportation
There are UDot trucks on the playground campus to survey possibility of adding a skybridge over 6200 South. The skybridge over Bangerter Highway will be removed when the interchange is constructed. A long-standing question in this area is “Who will pay for it?” since the land borders Taylorsville & Kearns.

Street Crossing Safety
Currently there is no light for the crossing guards @ 6020 South and 4000 West. The crossing guard is there mornings and afternoons to assist students crossing the street. With the construction on 4000 West, there have been many cars ignoring cross guards, speeding around them and jeopardizing the safety of children and adults.

   Action items – Carrie Johnson to provide update from the GSD Board.
   Vanessa Park to invite Kearns Mayor, Kelly Bush to next meeting.

Meeting adjourned 10:12 am.
   Motion to adjourn by Teri Daynes
   2nd of motion by Paula Pratt

Next meeting = Thursday, October 11, 2018 @ 9 am in the Community Center Relo
