

# Come join Fox Hills Community Council

## How are we doing?

### Are there some things you would like to see changed at Fox Hills Elementary?

We need parents who are willing to come to a meeting once a month and help make important decisions for our school.

#### Expectations/Commitments:

- \*Come to a meeting once a month (probably during the mornings during school) - they are usually only 1 hour
- \*Review school data and help develop plans for school improvement.
- \*Be a member of the council for 2 years

#### Qualifications:

- \*You must have a student at Fox Hills during the 2015-16 or 2016-17 school year.
- \*You can not be employed by Fox Hills.

#### Decisions that have been influenced by past community councils:

Allocated LAND trust money (over \$20,000 yearly) to buy technology and pay for aides to help our students and teachers.

Monitored the progress of our school reading program and implemented necessary changes.

Made key decisions regarding the optimization of class sizes and teacher utilization.

Voiced concerns that stopped boundary changes from moving kids to South Kearns.

Changed band/orchestra to afterschool programs and added music/art lessons for all classes.

If you are interested in joining us as we make important decisions to improve our school, you can fill out a "Declaration of Candidacy" during registration in the fall.

Even if are not a member of the Community Council - we would love for you to attend our meetings and voice your opinion. Everyone is invited to join our meetings at any time, however only those who are elected members of the council will be able to vote. You can see the agendas and minutes from past meetings and upcoming meetings on the school website [www.schools.graniteschools.org/foxhills](http://www.schools.graniteschools.org/foxhills).

We will have elections during fall SEP conferences next year (Sept 28<sup>th</sup>, 29<sup>th</sup>, and 30<sup>th</sup>). All candidacy applications must be submitted to the office by Friday Sept 18<sup>th</sup>, 2015.
