

Fox Hills Elementary
Community Council Meeting
January 14, 2021
11:00 A.M. Zoom

Welcome by Kylie Jones

In attendance: Kylie Jones, Teri Daynes, Nicole Porter (outgoing member), Diana Payne, Becky West, Vanessa Park, and Jamie Taylor (incoming member).

Members not in attendance: Amber Elliot and Victoria Forster

As Nicole Porter has requested to be removed from the Community Council, Kylie nominated Jamie Taylor to serve. Kylie motioned, and it was seconded and approved for Jamie Taylor to become the new Council Member until the end of the next school year.

Previous minutes from the November meeting were read by Kylie. She motioned they be approved. The motion was seconded and approved.

Land Trust updates were discussed. Principal Daynes has vigorously attempted to hire a full-time social worker, but has still been unable to hire, due to a shortage of social workers. The Council wants her to continue to try.

A new teacher has been hired, for whom salary is covered with the Land Trust. The new teacher will act as an interventionist and support for grades with the most students, as well as a substitute. A paraprofessional is also being hired.

There are leftover funds in the budget, 10% of which can be carried over to next year's budget. As no hands-on activities can happen now due to virus spread prevention, and items were donated by Westbrook, teachers are not requesting science materials. In February or March a technology amendment for audio equipment in the classrooms will be on the agenda.

Next year the budget will likely be smaller, as the 6th graders will not be here. Projected number of students will be given March 1st. All grades will be in the main building, and rels will be used for art and other programs. In the future, a Science and STEM room may be requested when another classroom is available.

The bridge over 6200 South is not yet complete. There will be a sidewalk from the playground to the bridge.

Granite School District has a list of elected officials who want to coordinate with the Community Council. Kylie offered to keep them updated on meetings.

Next meeting will be February 11, 2021 at 9:15 A.M. on Zoom.
