- Vote for 1 week extra pay for take-home library: Motion for extended pay is set by Michelle Christensen. It is seconded by Mrs. Wilson. Motion is passed unanimously.
- Review of legislative changes that are not passed by governor yet.
- Review of election information: Betsy, Carly, Michelle, Jeremy, Annie, Jeanette, and Mrs. Wilson all will have their 2 year period over in next school year. They will need to run again to continue on council.
- Other business: Mrs. Wakefield came to the meeting to inform the council on changes in the AR program. The district has been paying for AR and STAR reading program. Next year we have to fund it at up to \$5000 per year. We can upgrade to on-line programs which allow the school full use of any book available. If we don't upgrade we can still use what we have without using new tests on new books. Mr. Misco is checking on other programs which we could use to replace the AR program. Some teachers are not using the AR testing. Dr. McCarty will check with all teachers to see if they want to keep the program and where their focus is. We will check back at our next meeting in May.
- Meeting adjourned at 4:23 pm
