Report on Past Business:

We have received a declaration from a new Community Council member—Jessica Levell. This year's Council members include: Kim Turcsanski, Becky Hall, Beckie Hennessey and Jessica Levell as parent members. Amy Ross will continue as faculty member. Andy Carbaugh as Principal.

New Business:

Kim Turcsanski was nominated as the Community Council Chair. Voting was unanimous. Beckie Hennessey was nominated as Vice Community Council Chair. Voting was unanimous. Mrs. Turcsanski will begin preparing meeting agendas and conducting meetings next month. Mrs. Hennessey will take the minutes at meetings.

The last SCC training is tonight in American Fork.

Andy will send the link for the LandTrust movie that we need to all watch. All SCC members should watch by the next meeting.

The SCC looked over the Final Report for 2015-2016. The report shows some gains in reading and math. Next year's report will change the way we measure by scoring kids at the beginning of the year and the end of the year and comparing those scores. Currently scores are compared from end of the year to end of the year, which compares different students' scores.

The district will be serving a meal at our after school programs. This is at no cost to the school. This will need to be advertised to the community with community concerns being addressed.

Mrs. Leavell asked about whether or not Trustlands can be used to help special education. We do have aids funded for special ed but not through Trustland money.

Community Concerns:

Meeting was adjourned.
