

Gourley Community Council Meeting Minutes

January 19, 2016

In Attendance: Brandon Jones, Idalize Romeriz, Shelley Averett, Kim Webb, Allesen Peck

Principal Peck presented the data from the bullying survey the school conducted in December. The council discussed the questions asked on the survey and noted that in no areas were students indicating a high level of disrespectful behavior going on. Principal Peck noted that she expected to see more students reported problems on the bus as this has been a problem area for us, especially this year. However, very few students reported issues on the bus. It was concluded that perhaps only a small percentage of students identified to take the survey were bus students. Principal Peck also mentioned that she had been working with the transportation department to try to calm things down on the bus, but there were no quick fixes.

Brandon Jones asked if there were any additional items council members wanted to discuss. No items were presented to the council. The meeting was adjourned at 3:50 p.m. The next council meeting will be held on Tuesday, February 16th, at 3:30 p.m.
