

## David Gourley Community Council Meeting Minutes

November 17, 2015

Chairman Jones called the meeting to order at 3:30 p.m. The following members were in attendance: Brandon Jones, Shelly Averett, Leticia Gutierrez, Allesen Peck.

The first item on the agenda was to review and approve the school SSAP plan for the 2015-16 school year. Principal Peck presented the plan to the council and various components of the plan were discussed. Shelly Averett made a motion to accept the plan as written. The motion was seconded by Allesen Peck. Chairman Jones called for a vote. The plan was unanimously accepted by all members.

Chairman Jones reported that during his attendance at the district community council meeting he had received some information regarding getting college planning guides out to all sixth grade students and their parents. We discussed that the SEP conference in February might be a good time to disseminate that booklet. Chairman Jones will make contact at the district to obtain the booklets and to see if someone can come out and talk to the sixth grade teachers about ways to present the information effectively to students and their parents.

Chairman Jones reported that there is no additional news about the traffic calming measures that we began looking into last year. He will continue to attempt to make contact with the necessary people.

The floor was opened up for any other items that people wanted to bring to the council. Nothing was brought up.

Agenda items placed on the calendar for the December 15<sup>th</sup> meeting include the following:

- Student College Planning Guides
- School Climate Survey
- A possible special guest from the district to discuss how to increase community participation in community council meetings.

The meeting was adjourned at 3:55 p.m.
