

Gourley Elementary Community Council Meeting Minutes

Tuesday, May 19, 2014

3:30 p.m.

Chairman Jones called the meeting to order. Those in attendance were Brandon Jones, Paul Stoker, and Allesen Peck.

The first item on the agenda was to discuss a change of date for our monthly community council meetings. Principal Peck asked that the committee consider moving the meeting day to Thursday as the new parent liaison will be working on Thursdays next year and could interpret for our Spanish speaking parents that may want to participate in community council. It was determined that beginning next year, community council meeting will be held the third Thursday of each month at 3:30 p.m. The school media center will continue to be the location for the meeting.

Chairman Jones reported that the traffic calming data collection devices have been picked up. He has been trying to contact someone to see what type of data was collected and the next steps that might be taken to address the traffic issue on the street north of the school. He will continue to follow up and report back in September.

Principal Peck reviewed a number of calendar items for the remainder of the school year and the meeting was adjourned at 3:45 p.m. The next community council meeting will be held on Thursday, September 17th, at 3:30 p.m., in the media center.
