

Gourley Elementary Community Council Meeting Minutes

May 21, 2014

Attendance: Leticia Gutierrez and Allesen Peck

The meeting began at 3:40 in the school media center. The first item on the agenda was the school's Title 1 plan for the coming year. Ms. Peck discussed the purpose of the plan and asked for any suggestions of goals. Mrs. Gutierrez felt continuing to focus on improving students' math and reading skills would be important. Ms. Peck told the council that they would be given a draft of the plan for their input in the coming two weeks.

Community council elections for the coming school year were discussed. The council felt that holding them again in association with the September SEP conferences would be a good move since we had tremendous participation from parents in the voting process. We reviewed the council membership and determined that Brandon Jones and Jennifer Robles had been appointed as two year members and would continue on. Leticia Gutierrez and Maria Valencia were appointed as one year members. Their positions will be posted as vacant next year. Ms. Peck encouraged Mrs. Gutierrez to run for a council seat again and thanked her for her participation in the council this year.

Ms. Peck announced the school's art festival that is being held tomorrow night and encouraged council members to attend and invite their neighbors to come as well.

This will be the final meeting of the community council for this school year.

Meeting was adjourned at 3:55.
