

Gourley Elementary Community Council Meeting Minutes

September 29, 2015

In Attendance: Brandon Jones, Kim Webb, Paul Stoker, Idaliz Ramirez, Leticia Gutierrez, Allesen Peck

The only item on the agenda for the meeting was to seat the community council board for the year. We had three parent openings. Two parent candidacy forms were submitted. Kim Webb made a motion that the council accept the candidacy forms of Brandon Jones and Leticia Gutierrez as two year council members. Principal Peck seconded the motion. The motion passed unanimously. Council members then discussed other parents that may possibly be willing to fill the third position. Parent, Shelly Averett was in the building and was asked if she would be willing to sit on the council. She accepted. The council voted to seat Shelly Averett for the one year parent slot. Kim Webb made a motion to appoint Brandon Jones to continue as the chairman of the community council. Principal Peck seconded the motion. The vote was unanimous in the affirmative. Principal Peck will submit the council roster to the state by the end of the week.

Principal Peck also informed the council that there would be a district training session for community councils on Tuesday, October 20th, at Hunter High School from 6:00-8:00 p.m. As this is the same date as our regular monthly council meeting, it was decided that the district training would take the place of our council meeting on that date.

Meeting was adjourned at 3:45 p.m.
