

David Gourley Elementary Community Council Agenda  
Thursday, Jan. 26, 2017 3:30 p.m.

Members present: Allesen Peck, Becki Monson, Hailey Kelley, Brandon Jones, Shellie Averett, Maria Luisa McCauley, Kim Edwards

1. Granite District Capital Planning: The community council has been asked to view the district's presentation on Capital Outlay planning for building maintenance and rebuild. The video was not working, so we viewed the slide presentation and were given the Talking Points handout. The district would like for members to spread information throughout the community, not just with parents. Afterwards, there were no comments or questions by members.

2. Watch Land Trust Video: Each year the council is required to view at least one of the Land Trust videos. The video shared information about how LTF came into being, how much money is generated, how money is spent, and how the system is managed. There were no comments or questions afterwards.

3). Council Membership: We welcome Hailey Kelley to the council. She is replacing Paul Stoker (due to retirement) as a staff member. She joined the council after being voted upon by the staff. We are still short 1 parent position on the council. Brandon will check with one possible person and Maria Luisa will check with a couple of parents who are involved in the Family Center. This will be a  $\frac{1}{2}$  year appointment. If the parent would like to continue, they will be put on the ballot for next year.

Next meeting: Feb. 23, 2017 at 3:30 p.m.

Items for next month: Land Trust Plan and council membership
