

## Community Council

01/03/19

Attendance: Brandon Jones, Shelley Averett, Allesen Peck, Briar Mattucci, Laurie Banks, Kelsey Wineriter-Post

### Oquirrh Hills –

The decisions will be finalized at the Jan. 8 board meeting

- OH was one of 10 school placed in Turn Around status 3 yrs. ago.
- Each school worked with educational consultants – 8/10 schools made gains to exit out of Turn Around; 1 made enough growth to get an extension.
- There are three plans for district to decide between for OH (1) turn over to state; (2) replace all staff and administration (but all schools in area are decreasing in population and OH has just over 300 students); (3) redistribute students and close school (this is the choice district is leaning towards)
- Staffing and enrollment
  - Staff will be surplused to other schools.
  - Boundaries will be realigned to meet students' needs.
    - Proposal – approx. 100 students will come to Gourley, our boundaries will increase to 5400 S.; West Kearns and Arcadia will be the other schools to receive students.
- Keep on agenda for updates
