The meeting was called to order at 3:35 p.m. by Chairman Jones. The first item on the agenda was the final report for the 2015-16 Land Trust plan. Principal Peck distributed copies of the rough draft of the report to council members. She walked them through the report noting that the money had been spent as allocated by the council. She also drew members attention to the goal section and reviewed the data showing that the school had achieved the outlined goal of having 75% of students involved in the reading intervention program test out before the end of the year. Principal Peck thanked council members for their support of the program. Chairman Jones made motion to accept the Land Trust report. Mrs. Averett seconded the motion. All council members present voted in favor of the motion. One council member was absent. The motion carried.

Principal Peck reminded the council of the upcoming bond election and encouraged them all to become informed. Council members were directed to the district web page for additional information.

The council has been missing one parent member since the beginning of the year. Chairman Jones asked parent Amy Peterson if she would be willing to sit on the council. Ms. Peterson was present at the meeting. Chairman Jones made a motion that Amy Petersen be seated as a one year council member. The motion was seconded by Shellie Averett. The motion carried. It was noted that Kim Edwards who was to complete her second year on the council this year no longer had a student attending the school. The council will need to move to replace her. Council members will bring names of possible replacements to the meeting next month for discussion.

Principal Peck requested to add an item to the agenda. Several brief community council training videos had been sent to her and she recommended that the council watch two for each of the next three months. The council viewed the first two videos regarding the purpose of community councils and how councils are formed.

It was noted that the next meeting will be held on November 2<sup>nd</sup>. Agenda items will include training videos, SSAP Plan, board membership, and possibly results from the student bullying survey.

The meeting was adjourned by Chairman Jones at 4:05 p.m.
